HISTORY

(As on November 08, 2018)

All India Association for Educational Research was conceptualised in 1983 at an informal meeting of a few teacher fellows and research fellows doing their doctoral research at the Centre of Advanced Study in Education (CASE), MS University of Baroda, Vadodara, Gujarat. At that time, it was named as "Indian Educational Research Association". As no faculty from CASE agreed to take up the responsibility, the proposed "Indian Educational Research Association" could not be registered at Vadodara, Gujarat. However, "A Few Useful Journals and Educational Organisations" compiled by Sunil Behari Mohanty was the first publication of this unregistered association. Its second publication was "Bibliography on Student Teaching" prepared by Sunil Behari Mohanty, brought out in 1987 with its cover page printed by Late Dr. D. K. Sharma of JV Jain College, Saharanpur, Uttar Pradesh and Dr. Mohit Mohan Mohanty of SCS College, Puri, Orissa got the materials cyclostyled.

In 1987, Dr. Sunil Behari Mohanty, the founder General Secretary, convened an informal meeting of a few educationists of Bhubaneswar, Orissa at the residence of Dr. Surendra Nath Panda, the then Field Adviser of NCERT for Orissa. Prof. Suresh Chandra Chaturvedi, at that time working at the Regional College (now Institute) of Education of NCERT, Bhubaneswar volunteered to become the host and sign the invitation letter sent for inaugural meeting of the proposed association. On 8th November 1987, a meeting was held at the Govt. Boys' High School located at Unit IX, Bhubaneswar. Dr. Dhruva Charan Mishra, the first and fifth Treasurer of AIAER, had taken the responsibility for organising the meeting. There were only two participants from outside Odisha: Mrs. Neeti K. Pradhan of Maharashtra (Mumbai) and Late Thakur Prasad Gupta from Uttar Pradesh (Lucknow). The draft rules and regulations etc. necessary for the registration of the Association were finalised and the signatures of applicants were taken.

The first Executive body consisted of:

President: Suresh Chandra Chaturvedi,

Vice –presidents: 1. Thakur Prasad Gupta, 2. Neeti Kishore Pradhan;

General Secretary: Sunil Behari Mohanty;

Joint Secretaries: 1. Purna Chandra Mishra, 2. Prafulla Kumar Srichandan Ray;

Treasurer: Dhruva Charan Mishra;

Members: 1. Durllava Chandra Choudhury, 2. Kali Kumar Das, 3. Vedula Bhimasankar Shastri,

4. Jagannath Mohanty, 5. Sushil Kumar Goel, 6. Gouri Sankar Hati and 7. Santanu Kumar Swain.

The Association was registered under Societies' Registration Act at Bhubaneswar on 17th November 1987. A number of educationists interested in educational research have been instrumental in the growth of the Association. At the time of registration, AIAER office was located at 2RB 3/8, Kalpana Flat, the residence of Dr. D. C. Mishra, the then Treasurer (also present Treasurer). After a few years, Association office was shifted to 106/1502 Acharya Vihar, the residence of Dr. M. D. Panda, then a Reader in Regional Institute of Education, Bhubaneswar. Now it is located at N1/55 IRC Village, Bhubaneswar - 751 015, the residence of Prof. Prafulla Chandra Mohapatra, Ex-Director, Teacher Education & SCERT, Govt. of Orissa. Dr. N. K. Patil, the then Principal of Chembur Comprehensive College of Education, Mumbai was instrumental in taking out the activities of the association to outside Orissa, the State where it took birth. In 1991, Late Dr. (Miss) T. K. Jayalakshmi, the then Principal of R.V. Teachers' College, Bangalore organised the next annual conference. She succeeded in making the ailing veteran educational researcher Prof. M. B. Buch, come all the way from Vadodara to Bangalore, to give direction to the Association. The then Director of the NCERT delivered the Valedictory address. NCERT also gave funds for publishing the papers in the journal. Thus, the Association started entering the national field. AIAER is a founding member of the World Educational Research Association (www.weraonline.org). It is also a member of Asia Pacific Educational Research Association. During the tenure of the sixth President of AIAER, Late Prof. B. K. Passi, the Association had its web site. Prof. Passi took keen interest in increasing number of members of AIAER. While working in Thailand, he organised a conference for his institution and made many foreigners coming to attend that conference members of AIAER. Prof. S. Rajasekar, Dept. of Education, of Annamalai University, Tamil Nadu is the creator of the format of the present web site and he maintained it till 2015. Pope John Paul II College of Education,

Pondicherry and St. Xavier's Institute of Education, Patna, Bihar have been contributing to updating of the site. Today, the Association has 4550 members; 4446 in India and 104 outside India (including Indians working abroad temporarily). This number consists of Individual Life members-4242; Institutional Life members 256, Individual Patron members- 24, Institutional Patron members 7, and Honorary members -21.

JOURNAL OF ALL INDIA ASSOCIATION FOR EDUCATIONAL RESEARCH (ISSN 0970-9827)

Journal of All India Association for Educational Research is a half yearly journal. Till June 2012 it was given free to all members of AIAER. Last issue, December 2012 is available only as E-journal. As the association became a peer reviewed journal, it failed to get back adequate number of manuscripts modified by the concerned authors as per the suggestions given by the peer reviewers. This has resulted in backlog in bringing out the journal. Since 2007, all issues are available at
